

Construction Heater Safety Training

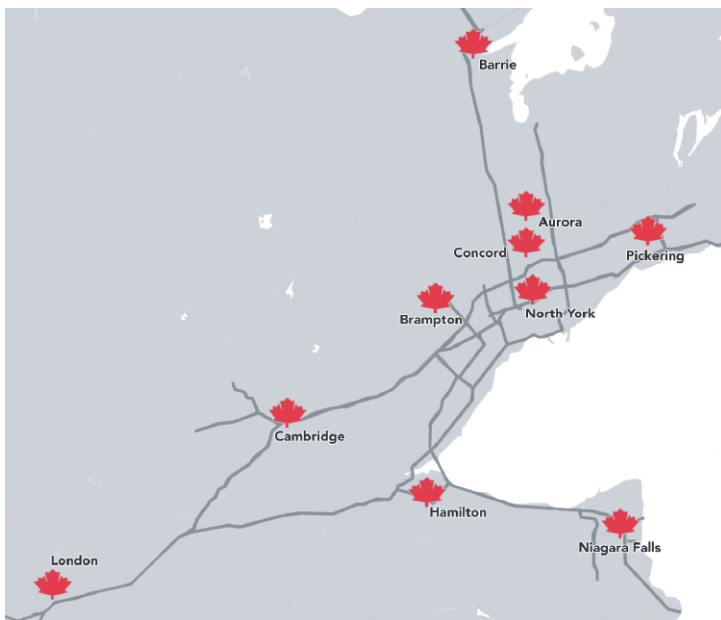

Who Needs R.O.T. Certification?

Any person who connects, disconnects or activates propane or natural gas construction heaters under 400,000 BTUs is required to hold a valid R.O.T. certificate.

Training However You Want It

In addition to our R.O.T. courses, we offer on-site, in-class open enrollment and online safety and equipment operation training solutions catered to fit your busy schedule.
