Force™ Features/Benefits/Accessories

Patented Aim N Shoot™ directs the air-flow where you need it most with fingertip control and is lockable for single positions. Air is up to 52% more concentrated vs. square steel discharge.

Self-propelled Forget the fatigue associated with pushing blowers. The 9 HP Subaru, 13 HP Honda and 18 HP Vanguard engines have self-propelled options to increase productivity!

Smooth, rounded housing vs steel eliminates air voids for quiet output and maximum performance! Proven design won't rust or dent! Backed by a 5-year warranty. (Excludes F601S.) Plus, compare against the weight of steel!

Force blowers are up to 30% lighter than other units on the market. Easier to push and far more productive.

Improved fan technology features a single shot 16 blade, closed face fan. That's twice as many blades as most manufacturers and is far lighter than steel fans and easier to start on cold days. It's standard on all models and is the ultimate in performance and reliability!

Quietest on the market The quiet operation of the Force™ compared to back-packs and steel blowers is a welcomed relief among users and in neighborhoods.

Forward discharge Improved design of soft rubber is standard on F9 and F13. (Not available on F18.) It's a snap to install and is perfect for cleaning along walls and fences! (Optional kit on F601S model. Part No. 441130)

Caster wheel kit allows more maneuverability in tight spaces for moving airflow from side to side, without off-weighting the front wheel. (Optional for F9, F13 and F18 models only. Part No. 440293)

Quick hold down kit Quick trailer lock down attachment saves time. (Optional for F9, F13 and F18 models only. Part No. 440120)

Parking brake kit prevents roll-aways on inclines and saves relocation time when you need to step away. (Optional for F9, F13 and F18 models only. Part No. 440140)

10-ft hose kit easily fits over nozzle to direct airflow into hard to reach spaces. 4"D x 10'L. (Optional for F601S model only. Part No. 441166)

Foam filled front tire Flat free tire is lightweight and rolls easily over terrain. (Optional for F9, F13 and F18 models only. Part No. 440279)
