

KLEEN GREEN THATCH REMOVER

THE GRASS IS ALWAYS GREENER...

Reduce pest problems, prepare seed bed, speed growth and increase benefits from fertilizer, moisture and air.

“Grooving” of the turf provides “Linear” aeration and seed bed preparation.

KLEEN GREEN THATCH REMOVER

Bannerman's Kleen Green Thatch Removers are designed to provide efficient vertical cutting and removal of dead plant material and other debris – a damaging condition in turf areas grass lawns. By removing organic materials from the base of the grass plant to allow water, oxygen, and nutrients to circulate freely and be absorbed by the grass roots, and accumulation organic materials and sand topdressing are kept to a minimum. Built for the professional, our thatchers will give top performance and long, trouble-free service. Kleen Green thatchers may be used for scarification and levelling, if desired. This works particularly well prior to topdressing - you not only get rid of the thatch, but the topdressing material will settle in around the existing grass plants much better. The depth of cut of the self-sharpening spring steel blades is easily adjustable to suit the condition of the turf and the results desired. The blades are offset to prevent tracking of the cutting tips, thereby eliminating ridging.

SPECIFICATIONS

Main Frame	12 gauge steel, welded.
Lower Handle	Welded "H" for strength and "Anti-Twist"
Upper Handle	14 gauge tubular "Roll Around" for cellular Sponge comfort grip.
Wheels – Rear	2 - 10" Pneumatic with inner tube, heavy duty steel rims, and greaseable 1" bearings
Wheels – Front	2 - 8.175" Semi-Pneumatic.
Bearings	2 - Two piece "taper lock" bearing on tempered blade shaft.
Drive Belt	3/8" "toothed" heavy duty positive drive edge.
Engine	Honda [Model: GC-1605.0 (Q.H.C.) 5.0 horsepower, 4 cycle]

Blades

Part #03130 - 1/8" Thatcher Blade
Fits the BLT-14 (14 blades) - Renovating,
Self-Sharpening, Oil Tempered Blades.

Part #03040 - 1/16" Thatcher Blade
Fits the BLT-15 (15 blades) - Self-Sharpening,
Oil tempered Blades - (30 offset cutting tips)

Operating Weight 122 lbs. Shipping Weight 127 lbs.
