

# POWER BRUSH SERIES

## THE TERM “CLEAN SWEEP” HAS NEVER MADE MORE SENSE.

The Ariens® Power Brush is an equal opportunity sweeper removing anything in its path. Snow, slush, sleet, leaves, sand, gravel or whatever is covering your pavement can quickly be swept away. Its 40-degree pivoting head pushes debris 20 degrees in either direction. This is a true utility machine that can be put to work year-round.

Sidewalks, parking lots, walkways,  
I can use this everywhere that  
needs a quick clearing before  
all the students arrive.
