## Hot Water Pressure Washer

*Gasoline Powered Direct Drive Pump Portable*

The SGP is Shark's solution to the demand for versatility and portability in a compact hot water pressure washer. In fact, there are two extra-compact SGP models that weigh in at only 400 lbs. and, thanks to revolutionary engineering, can operate without the need for a battery.

**Safety rupture disk** attached to discharge side of heating coil protects against excessive pressure

**Durable hot water coil** made of 1/2-inch, Sch. 80 steel pipe and cold rolled for years of leak-free operation; with easy coil access design

**Rugged all-steel chassis** and frame with lifting point and limited lifetime warranty; painted with black wrinkle paint for all-weather protection

**Heavy-duty, insulated trigger gun** with **fatigue-free handle** and rated for 4500 PSI

**Enclosed control panel** with automatic thermostat, hour meter and burner on/off switch

**50 ft. of wire-braid hose** rated for up to 4500 PSI, with safety hose guard for burst protection

**Chrome plated steel variable pressure wand** has **adjustable, easy-grip handle** for hours of fatigue-free pressure washing

**Four vibration isolators** mounted under the engine reduce vibration, wear and tear on components

**Rust-free, 6-gallon polyethylene tank** for diesel heating fuel

**Easy-to-attach downstream detergent injector** with brass soap nozzle

**Durable, triplex, oil-bath, high-pressure pump**, with three ceramic pistons and forged brass manifold, backed by an industry-leading warranty

Reliable **Honda engine** on most models with three-year limited warranty features low-oil alert and silent-tone muffler

**Vibration-absorbing 13" tubed pneumatic tires** with steel wheels for all-terrain

**Easy-to-understand illustrated operating instructions** for multi-lingual operator and owner protection

**Safety thermal pump saver valve** protects against hot-water damage by venting recirculated water

**High-quality, tamper proof unloader valve** for operational safety

### U-Seal Technology

Crankcase pumps feature U-Seal technology, giving pumps longer life and better performance.

Certified to UL - 1776 Safety Standards

All Shark production plants are ISO 14001 and ISO 9001 certified

MODEL	ORDER NO.	PSI	GPM	ENGINE	HP	START	BURNER	BTU	PUMP RPM	SHIP WT

\* Extra-compact frame

+ Only model that ships with battery

**Dimensions:** 46"L x 28"W x 44"H; Compact frame 39"L x 28"W x 42"H

# SGP SERIES

 Extra-compact models — no battery needed

*Revolutionary technology allows the burner to function without a battery*

The extra-compact models of the SGP series weigh less than 400 lbs. and, thanks to revolutionary technology, use power from its Subaru engine to operate the burner. While small in size, these two compact models are still rugged in every way.

## DETERGENTS

 Fast-cleaning, commercial- grade

*Custom formulated especially for pressure washers*

Shark Detergents are highly concentrated and made with non-butyl blend of ingredients formulated to provide a non-caustic, low-foaming detergent for a broad range of uses on many surfaces. All detergents are engineered specifically to be metered through a hot- or cold-water pressure washer with a high dilution ratio, making the cost-in-use very economical. Plus, all Shark detergents are biodegradable.

## SURFACE CLEANER

### Attachment

*Attaches to a pressure washer to clean flat surfaces faster*

Surface Cleaner cleans flat surfaces up to 3 times faster than a wand, and without "striping".

## PRESSURE WASHER SALES CENTER

### Increase Sales

This attractive, heavy duty display rack goes together quickly using only four bolts and can be set up as an island or against a wall using very little floor space.

## WHY SHARK

### Rental Tough

**Originating over 20 years ago**, Shark Pressure Washers were developed to withstand the most demanding environment - the rental industry - where durability and reliability are tested to the max.

**Today**, Shark's dominating reputation for ruggedness and safety, as well as the strongest warranty offering in the cleaning industry, is recognized by a broad array of cleaning professionals and commercial contractors.

## BENEFITS

*Here are the Top 6 reasons Shark is America's #1 name in pressure washers*

Shark's broad line of pressure washers and accessories allow customers to reap the benefits of a one-stop shop for pressure washer supplies, such as:

### 1. Accessories

More than 40,000 different **replacement parts and accessories** are in stock or ready to order when you need them most

### 2. Selection

A huge selection of more than **80 hot- and cold-water pressure washers**

### 3. Price

**Competitive pricing** on hoses, guns, wands, nozzles, repair kits, and pressure washer components

### 4. Coil

Stainless steel **coil wraps** now come standard on nearly all of our hot-water pressure washers

### 5. Soap

A wide selection of **detergents** are formulated specifically for pressure washers

### 6. Parts

A handy and affordable Shark **Parts Box** puts the most often needed pressure washer parts at your fingertips
